

Puzzled?

Do I have my affairs in order?

What do I own? What debt do I owe? How much am I worth?
What will happen if I become disabled? What if I have to go to a nursing home?
Who would make decisions for me if I were unable?

What if I die? How much tax would my estate have to pay?

Who would take care of my business? How would my spouse manage?
What about my children?
What would happen to my property? How can I avoid probate?
Who gets my retirement account? Do I need a trust? Do I need a will?

I need to organize my life.
